

# International Conference on Machine Learning and Pattern Recognition

International Conference on Machine Learning and Pattern Recognition (MLPR 2023) will be held in Chongqing, China during October 27-29, 2023, and is planned to be an in person conference with virtual elements. The conference includes keynote talks, invited talks, forums and oral and poster presentations of author papers.

We invite submissions of papers on all topics related to machine learning and pattern recognition for the main conference proceedings. All papers will be reviewed in a double-blind process and accepted papers will be presented at the conference.

## Call For Paper

### Machine Learning

- Active learning
- Dimensionality reduction
- Feature selection
- Graphical models
- Imitation learning
- Intelligent Business Computing
- Intelligent Systems
- Intelligent control system
- Intelligent human machine interface
- Intelligent robot
- Latent variable models
- Learning for big data
- Learning from noisy supervision
- Learning in graphs

### Pattern Recognition

- Analysis and detection of singularities
- Animation image analysis
- Classification
- Cluster analysis
- Deformation analysis
- Descriptor of shapes
- Diagnosis of faults
- Document analysis
- Emotion computation
- Enhancement and restoration
- Feature extraction
- Hand gestures classification
- Human face recognition
- Image compression

For more topics, please visit: <http://www.mlpr.org/cfp.html>

## Submission Guidelines

### Submission Requirements

#### >> Language

English is the official language of the conference; the paper should be written and presented only in English.

#### >> Submission Type

- Abstract submission for presentation only without publication.
- Full paper submission for both presentation and publication. It should be no less than 4 full pages in two columns. The maximum paper length is 5 printed pages, including all figures, tables, and references, and extra page will be charged.

>>Papers submitted to the conference should report original, previously unpublished research results, experiments or theories and must not be under consideration for publication elsewhere.

### Submission Process

- 1). Download the [Full Paper Template](#) or [Abstract Template](#) for formatting your paper.
- 2). Submit your paper to [Online Submission System](#) or [mlpr2023@163.com](mailto:mlpr2023@163.com).
- 3). The conference secretary ([mlpr2023@163.com](mailto:mlpr2023@163.com)) will contact you within three working days once receiving your submission.

## Conference Proceedings

Submitted papers will be peer reviewed by conference committees, and accepted papers after proper registration and presentation will be published in the Conference Proceedings, which will be indexed by [Ei Compendex](#), [Scopus](#), etc.

Important Dates  
Submission Deadline:  
September 20, 2023

Notification Deadline:  
October 10, 2023

Registration Deadline:  
October 18, 2023

## Conference Venue

Founded in 1950, Chongqing University of Posts and Telecommunications (CQUPT) is a post-telecom university deployed and constructed emphatically by Chinese government. With the full sponsorship from MIIT (Ministry of Industry and Information Technology) and Chongqing Municipality, the university is a multidisciplinary teaching and research institution that plays a leading role in the field of information communications. The university is located in Chongqing city, southwest of China. Within 71 years, CQUPT has cultivated over 140,000 specialists in a variety of fields, and has won national technology innovation awards in the field of information industry and is the national model base of advanced technology industrialization. The university is recognized as the Cradle of Information Technology Specialists and the Birthplace of Digital Communications in China.
