

Call for Papers

The 3rd International Conference on Machine Learning and Pattern Recognition (MLPR 2025) will be held in Kyoto, Japan during July 25-27, 2025. MLPR 2025 is organized by Ritsumeikan University, Japan.

The conference includes keynote talks, invited talks, forums and oral and poster presentations of author papers.

The conference calls for high-quality, unpublished, original research papers in the theory and practice of machine learning and pattern recognition. We encourage submissions from all over the world.

Conference Proceedings

Submitted papers will be peer reviewed by conference committees, and accepted papers after proper registration and presentation will be published in the Conference Proceedings.

Topics of interest include but are not limited to:

Track 1: Machine Learning

- Active learning
- Dimensionality reduction
- Feature selection
- Graphical models
- Imitation learning
- Intelligent Business Computing
- Intelligent Systems
- Intelligent control system
- Intelligent human machine interface
- Intelligent robot
- Latent variable models
- Learning for big data
- Learning from noisy supervision
- Learning in graphs
- Multi-objective learning
- Multiple instance learning
- Multi-task learning
- Online learning
- Optimization
- Reinforcement learning

Track 2: Pattern Recognition

- Analysis and detection of singularities
- Animation image analysis
- Classification
- Cluster analysis
- Deformation analysis
- Descriptor of shapes
- Diagnosis of faults
- Document analysis
- Emotion computation
- Enhancement and restoration
- Feature extraction
- Hand gestures classification
- Human face recognition
- Image compression
- Image fusion
- Image indexing and retrieval
- Image recovery
- Invariant representation of patterns
- Iris pattern recognition
- Learning theory
- Machine vision

Important Dates

Submission Deadline: February 20, 2025

Notification Deadline: March 20, 2025

Registration Deadline: April 5, 2025

Full Paper should be no less than 8 full pages.
